Day 1 - Quito

Arrival at Quito and travel to Baños

You should arrive at Mariscal Sucre International Airport, in Quito early in the morning. You should travel to the city of Baños in our private bus.

Once in Baños, you will stay at **Alisamay Hotel**. Its location is near the most important attractions, offering cordiality and good service.

Your first adventure begins in the afternoon. You go in the "Chiva" (traditional transport), towards the "Runtun Community". This local is 45 minutes from the city and you will go up from 1900 to 3800 metres. You will find the famous **Columpio del fin del mundo** (it's a giant swing). From this place you can see the **Tungurahua** volcano, the city far below and a magnificent sunset.

This day **includes**:

- Transport.

Day 2 – Baños

Canopy and Horseback riding

You will leave the city towards Puntzan, in the tour operator vehicle. This journey will last 25 minutes. The guide will give you a safety talk and instructions on how to use the equipment. You will find 6 lines that can vary between 150 to 600 meters in length. You can try this activity from different body positions with all safety guarantees.

In the afternoon you will go horseback riding to admire the beauty of Baños. You will leave the operator's location and walk for 5 minutes outside the city after a brief explanation by the guides. You will then leave towards the **Tungurahua** volcano viewpoints, where you will be able to practice Galloping. Does not require prior experience. Low level difficulty activity.

This day **includes:**

- Breakfast, private transport with guide, Canopy and Horseback Riding.

Day 3 – Baños

Chocolate Factory and SPA

Here you will see magical spaces and be able to express your creativity, making your day an unforgettable memory. Here you will do a chocolate tour and you will be able to taste more than 100 chocolate products with high nutritional value.

In the afternoon you will relax in the **Termas de la Virgen**, a renovated thermal water complex, considered the largest in Ecuador. It has some pools with thermal water and others with waves. It also has a leisure area consisting of water games and a children's playground. The second area is known as El Balneario La Virgen, it has 2 recreational pools with thermal water and another with different temperatures.

This day **includes:**

- Breakfast, private transport with guide, tickets to Chocolate Factory and Spa.
